2022 - STUNNING EVENT !

The SWS Team do apologise for taking longer to announce the dates and the location of the future SWS International Finals.

We are pleased to announce you :
RKC - KARTING PARIS - FRANCE
July, 6th - 8th, 2022

In June 2019, the RKC has faced to an important fire.
After months of work, the RKC Team is proud and ready to welcome you in good conditions for the SWS International Finals.

WHAT'S NEW FOR 2022?

- 4 fleets
- 20 Female Sprint Drivers
- A MAGIC venue for the closing ceremony

Two years later, the Covid19 is still present in our day life and we are now facing the "After Covid19", which affect our days at work.

As you know Sodikart is part of the Automotive Industry and like others, Sodikart is not spared by supply chain issues (logistic, spare parts, production...)

To thank the track for their trust and also secure our event, the SWS Team took the decision to organise the SWS International Finals 2022 in France in the well-known and famous track of RKC.

To finish off the event, Sodikart pull out all the stops by privatising:

LE LIDO

A cabaret and burlesque show located on the Champs-Élysées in Paris.
Stay tuned, the drivers will be informed shortly by emails.

Take care.
