E-SPRINT International Final

1 PRESENTATION.

PRESENTATION

Welcome in Payerne !

DEAR QUALIFIED E-DRIVER,

SWS Team is pleased to announce that you're qualified to participate at the e-Sprint Cup International Final which will take place in Payerne from April 26th to 27th 2024. A total of 84 drivers will fight for this 100% electric title !

KARTING DE PAYERNE (CH-KAR)

2 karting tracks - an indoor circuit (950m) and an outdoor circuit (1050m). Modern facilities and the very latest equipment ensure you have a great time in complete safety.

SWS E-SPRINT CUP 2023 SEASON

Over the past 2 years, the E-Sprint Cup category has continued to grow, and now boasts almost **800 ranked** drivers over the 2023 season as a whole.

28 E-TRACKS // 503 E-RACES // 938 E-DRIVERS RANKED

PRESENTATION

The reference in electric go-kart !

SODIKART RSX2,

" The sodi RSX2 is the new benchmark for electric karts on the market, featuring the latest technological and electronic advances from sodikart. An unequalled 100% electric driving experience. "

Benefiting from the new patented EASY DRIVE[®] technology, the RSX2 offers an unequalled driving comfort.

Equipped with a new engine that is noiseless than its predecessor and the latest generation of lithium batteries, the sodi RSX2 has increased power and has an autonomy of one hour at standard speed. The new synchronous motor, which comes from the automotive world, has an integrated power control.

The RSX2's ergonomics include a seat and steering column adjustment system that makes it easy to adjust (in addition to the adjustable pedals) the riding position to suit the individual.

Its new and modern design, combined with the F1 steering wheel, will satisfy all the drivers. The Sodi RSX2 is the most efficient, reliable and successful new generation electric kart on the market.
